PUBLICATIONS BY AUSTRALASIAN ACADEMIC STAFF AND POSTGRADUATE STUDENTS IN THE FIELD OF CLASSICAL STUDIES FOR THE YEAR 2016

This list has been compiled from information provided by the ASCS Representatives at each university and the editor’s own researches, and contains publications for 2016 by both ASCS members and non-members in the field of Classical Studies. The list is prepared annually in conjunction with the April Newsletter and archived year by year on the ASCS website, starting with the list for 2010. This is seen as a valuable way to showcase the research productivity of classicists and ancient historians in our part of the world.

The list is sent electronically to members who receive communications from ASCS in that format. Those who do not are referred to the website.

If you believe that an eligible publication has been omitted, please contact the editor with details as soon as possible so that the record on the website may, if appropriate, be amended.
