

PUBLICATIONS BY AUSTRALASIAN ACADEMIC STAFF AND POSTGRADUATE STUDENTS IN THE FIELD OF CLASSICAL STUDIES FOR THE YEAR 2014

This list has been compiled from information provided by the ASCS Representatives at each university and the editor's own researches, and contains publications for 2014 by both ASCS members and non-members in the field of Classical Studies. The list is prepared annually in conjunction with the April *Newsletter* and archived year by year on the ASCS website, starting with the list for 2010. This is seen as a valuable way to showcase the research productivity of classicists and ancient historians in our part of the world.

The list is sent only to those members who receive the *Newsletter* electronically. It is not included in the hard-copy version in order to cut down on production costs, and those who receive that format will be referred to the website for the list.

If you believe that an eligible publication has been omitted, please contact the editor with details as soon as possible so that the record on the website may, if appropriate, be amended.
